

VISION & MISSION

Vision

Endless possibilities.

- ★ To provide quality services that exceeds the expectations of our esteemed customers
- ★ **Be Kind**
Do the right thing.
Be Honest
Keep your word.
Be Smart
Make things better.

Mission

Innovating and inspiring consumers.

- ★ To build long-term relationships creating a life-changing experience through the quality of our products and services.
- ★ We provide a common ground for all people throughout the world.

CURRENT CLIENTS

Tshipi Entle Manganese Mine

APLS Holding had an opportunity to build a walkway crossing over railway line which encompassed robust civil works, structural and mechanical engineering.

Eskom - Generation

We offer engineering solutions to Eskom, whether in the form of design improvement or recalibrating the current status quo. Fabrication & welding steel structures, expansion joints and supply of spares.

GPWG Engineering

We offer support on the water treatment plants in the City of Ekurhuleni through technical advise, sourcing material and project schedule management & reporting.

Steinmüller Africa (Pty) Ltd

Steinmuller offers mechanical engineering solutions to most Eskom power stations and has given APLS an opportunity to supply or machine specialised fired & unfired pressure parts as well as other consumables.

J & C Engineering

APLS is the project support service for J& C Engineering at Tutuka power station on a 20 months outage & maintenance contract. This is a pivotal role seen as the anchor of the success or failure of the continuous black-outs.

FUTURE PLANS

New product development

Applications Mockups

Marketing business plan for a new product(s)
